2. I have requested [REDACTED] to prepare without delay a complete but concise paper on the handling and accounting for Agency funds that support the large vouchers for which the Director certifies. I anticipate that Mr. McCone will require such a complete explanation before he signs the first paper, which will be shortly after the twentieth of November.

25X1A9a

3. I have asked [REDACTED] to explore without delay the possibility of moving the Deputy Director (Support), the General Counsel, and the Inspector General to the new building in temporary space as soon after the twentieth of November as possible.
